IL PISTACCHIO

Siamo una delle poche realtà presenti sul territorio che lavorano il pistacchio, l'unica nel Nord Italia, selezionando con cura e trasformandolo in molteplici prodotti semilavorati o finiti pronti per il consumo finale. La Di Sano Srl, nasce per volere di Francesco Di Sano alla terza generazione nella lavorazione e commercializzazione del pistacchio sia a marchio proprio che per conto terzi. Oggi è una realtà ben consolidata nel settore di riferimento, portando tuttavia con sé i valori tradizionali di un tempo, che ben ci legano alla continua ricerca di innovazione e sviluppo. Instauriamo stretti rapporti con i fornitori operanti in diverse parti del mondo (Italia, California, Argentina, Grecia, Spagna, Turchia etc.), garantendo un'elevata qualità del prodotto stesso, grazie alla costante ricerca di individuare i migliori mercati di approvvigionamento. Le esigenze del cliente sono le nostre priorità arrivando così ad offrire un servizio individuale e personale, che ben si lega con il nostro pensiero, essere al servizio del cliente.

PRIVATE LABEL

I nostri prodotti con il vostro marchio, questo con noi è possibile!

We carefully select the fruit and transform it into multiple semi-finished or finished products, ready to be used by the final consumer.
